INCEPTION OF A NEW VOYAGE!

FJ'S ANNUAL MAGAZINE | YEAR 2020-21

Father Joseph's English High School, Kasturi Park, Bhayandar (E) was established in the year 1997 with a noble objective of promoting education among girls, later it was converted into a co-ed. school. The school is recognised by the Government of Maharashtra & is affiliated to the M.S. Board of Secondary & Higher Secondary Education. The school boasts of excellent infrastructure, qualified & committed teachers, and superior co-curricular facilities.

Activities

Every activity in school life plays a substantial role in development of students. Co-curricular activities are an essential part of school life and are designed to help in enhancing learning process of students at school. These bring social skills, intellectual skills, moral values, personality progress and character appeal in students. These activities are compulsory activities that are important for every student to participate and are balanced with academic curriculum so that every student gets to learn beyond subjects.

Competitions

The spirit of competition teaches children the importance of taking a healthy risk instead of only doing activities that they are comfortable with. FJES endeavors to give our students the scope and the spirit of healthy competition - to excel at all levels through external & internal competitions. We ensure that these competitions help our students to develop their creativity and their skill sets. The FJ competitions also lay emphasis on boosting their self-esteem, motivate them to become better individuals and make them mentally strong.

PIONEER EDUCATION
SINCE 1992

FJ's Literary Corner

Normalcy is Inevitable..

After, a long break of 15 months of on & off lockdowns, schools will be reopening shortly. While the school may not feel the same in the circumstances surrounding Covid. I can hardly wait to go back to school and meet my friends & teachers, although I will not be able to experience the same classroom atmosphere. Online learning was fun in the beginning, but later it was pain for eyes & fingers to work with mobile phone or computer. I remember the days when all friends used to come together to school, gather during recess to share our tiffin, change our places & sit with our best friend once the teacher leaves the class, having fun during free lectures, playing on the ground together, sharing our pens, pencils etc, standing with friends in the corridor during lunch breaks. All these fun moments we had before pandemic will not be possible now. I have to keep myself, family, friends, teachers & other people around us safe.

While greeting one another all we can do is wave hands or say “Hello”. We cannot get much closer to our friends & classmates. We will not be able to share our tiffin or other stuffs with each other. But still, I will be happy to return to school. At least I will be able to see my friends and communicate with them face to face. I will be able to ask my doubts to my teachers directly. Learning will be fun once again with all safety precautions. Resuming school is the new hope for all of us in this crucial time of Pandemic.

Everything will be a bit different at school in the midst of corona but together we're strong and will get through it.

STAY ALERT STAY SAFE!

Jiya Vijay Parmar

The Beauty of Nature

The beauty of nature
Its presence divine,
It makes our hearts content
With life that shines.

So cool, so calm
And full of joy,
Your beauty beholds
A never-ending strife.

When the winds blow
And the flowers dance,
Oh mother nature! you offer
A beautiful glance.

Deep within,
The waters of my soul
I begin to hear,
The oceans roar.

The melodious chirping
Of the birds that fly,
Bring joy to the heart
And close to the eye...

The beauty of nature
Its presence divine,
It makes our hearts content
With life that shines.

Pranali Pratap Mane

कोरोना

का रे, कोरोना माझी शाळा बंद केली ?
अशी काय माझी चुकी झाली ?
शाळेतील मजा- मस्तीची संधी
अभ्यास, खेळ या सर्वांवरच आणली तू बंदी ॥

मास्क, लॅपटॉप, मोबाईलचा आला कंटाळा,
घरातल्या चार भिंतीत जीव नकोसा झाला
शिक्षक आणि मित्र-मैत्रिणींची येते फार आठवण
कोरोना, तू का नाही जात पटकन ॥

घराबाहेर पडताना वाटते मनात सतत भीती
कोरोना, तू येणार तर नाही ना माझ्या संगती
तू आला असलास जरी चीनमधून
तुला पळवून लावणार आम्ही लवकरच भारतामधून ॥

तुझ्यामुळे लोकांच्या गेल्या नोकऱ्या,
शहर सोडून लोक गेले कायमचे गावाला
तुझ्यामुळे कित्येक लोक झाले बेघर
तुला आहे का त्याची थोडीशी तरी खबर ॥

तुझ्या येण्याने जग जरी थांबले असले तरी
आम्ही तुझ्या पुढे हरणारही नाही
आम्ही फक्त लढणार आणि तुला कायमचे घालवणार
कारण माझ्या देशाने शोधली आहे नवीन लस
तिच करणार आहे आता तुझा कायमचा बंदोबस्त ॥

श्रुती जाधव - (९ / ब)

"मेरे पिता"

मुझे ठंड से आराम देने वाली धूप हैं, वे
दुनिया की सीख सिखाते हैं, वे
कंटकों के बीच का गुलाब हैं, वे
मेरे पालनहार, पिता हैं वे ॥

मुझ पे संकट आने से पहले
खुद उससे टकराते हैं वे,
मेरे लिए धूप में छाया बन जाते हैं, वे
मेरे पालनहार, पिता हैं वे ॥

मुझको हिम्मत देने वाले मेरा अभिमान हैं वे
कभी शिक्षक बन के पढ़ाते हैं, वे
हर एक बात समझाते हैं, वे
मेरे पालनहार, पिता हैं वे ॥

कभी कठोर बनकर डाँटते हैं वे
कभी दोस्त बन हँसाते हैं, वे,
मेरे समस्याओं को हल कर जाते हैं, वे
मेरे पालनहार, पिता हैं, वे ॥

मेरे लिए प्रेरणा के प्रकाश हैं, वे
धूप में जैसे भट्ठी बन जाते हैं, वे
पूरे घर के लिए खुद को इतना जलाते हैं, वे
मेरे पालनहार, पिता हैं, वे ॥

- संस्कृति मिश्र

Celebrations

A glance at FJ's virtual festivities!

Celebrating events and festivals in our school has become an integral part of learning and building a strong cultural belief. With these celebrations, we at FJ, intent to bring the students closer to each other's traditions and cultural beliefs and develop respect and understanding for each other's customs and traditions.

From the Principal's Desk

My dearest educatees,

It is elevating to see that the catastrophe has connected all of us like never before. The past year scenario has changed our routines and lifestyles.

I understand the challenges faced by the students and the teachers to cater to the academic needs during closure of school and adapting to virtual learning. However, the importance of education remains steadfast. By now we are all prepared to take life ahead with all our normal activities according to the new normal.

As we are at the end of this academic session, first and foremost, I would like to acknowledge the passion for learning of our students in spite of so many technical limits. My able and dedicated staff, both teaching and non-teaching, who have been showing their care and concern for the students, working from home preparing notes and engaging classes online for the benefit of students. I value their efforts for the students and commitment to academics. The good part is that all this has also led to imbibing of digital skills in us, one of the most important literacy skills of the 21st century.

Until we reunite again, my young learners remain active and receptive and use this time at home to learn new skills. It may be as basic as drafting a letter, improving English, or other language skills, public speaking, play an instrument, cooking etc. Keep fit with meditation, yoga and other fitness programs. YouTube videos and other free, online courses and forums can help you learn lot of skills and gain knowledge.

Dear students, as much as you may be missing school and your peer group, we are missing you coming to the school. The whole school campus remains lifeless without you being there. These are times when we have to stand together as one family belonging to the entire world. We pray for a quick control of the COVID 19 Pandemic, for a healing of those affected, their families and health care personnels. Remember humanity has seen worse, and every time we have bounced back. We will, again. Being hopeful is the key!

With this, before concluding, I would like to quote the words of Edward Hay;

*"In the heart of every person on this Earth
burns the spark of luminous goodness;
in no heart is there total darkness.*

*By our lives and service, by our prayers and love,
call forth from one another the light and the love
that is hidden in every heart."*

Take Care! Stay Safe!
